Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

First of all about Chester on, you have in your letter Wednesday, June 28th, I assume you meant Wednesday, May 28th, I have contacted another Club for that date and will let you know today definitely what happens. We are playing Norfolk and Portsmouth on Monday and Tuesday and Atlantic City Thursday and could have stopped by Chester. The game I am trying to get is in the vicinity of Washington, which would be better.

About Satchell you said Kansas City would probably approve the Eastern League using him, but what about the rest of the Western League teams. I do think the question is big enough that we should give serious thought to it now and straighten it out once and for all. I do not feel our League should use him without the consent of all the teams in the west, or at least a majority vote.

If I find myself in Phila within the next few days I will stop in and see you.

About June 15th you wondered if we could make it from Phila to Norfolk, I guess we will just have to, as it is the best spot we could possibly find to play. We could either leave Phila early Sunday morning, or leave right after the game and stay in Richmond. We should be starting to get publicity for that game now. I had a letter from the man who will handle it for us, Mr. Willie Riddick, 919 Faulkland St., Norfolk, Va. he wants us to stay and play a doubleheader Sunday and Monday night game at 8:15, he suggests prices bleachers 40¢, grandstand 55 or 60¢, boys 25¢, or straight admission of 55¢. He asked for 200 placards, he will have to know at once about Monday night so he can get the Park.

I had originally planned to come back up to Belmar and play a benefit game the night of the 16th, but to date I have not heard from the people O. K. ing it. Leuschner was handling this game

Mr. Ed. Gottlieb,
#2

If you think we will do any good in Norfolk those two days let me know. It would save time if you told Iannarella to go ahead with the ordering and shipping the cards to Norfolk.

Please let me hear from you right away.

Very truly yours,
